100 years

1999 marks, among many milestones, the centennial of Meredith Collge. The school opened its doors to female students on September 27th of 1899 and, on May 21st of 1902 ~~1903~~, its first graduating class consisted of only ten women. Almost 100 years later, that number has increased steadily as the Meredith College Class of 1999 boasts 498 graduates and thus embodies the old adage

"Tall oaks from little acorns grow."

This edition of Oak Leaves remembers the school year from Fall/1998 - Spring/1999 and celebrates the students, faculty and staff who continue to strengthen the roots of Meredith College.

ere's a hero, if you look inside your heart.
ere's an answer, if you reach into your soul.

ally see the truth that a hero lies in you!

Always remember God and we love you.

Mom, Grandma & Missi

We pray that you'll have the strength to stick it out over the long haul – not the grim strength of gritting your teeth but the glory-strength God gives. It is strength that endures the unendurable and spills over into joy, thanking the Father who makes us strong enough to take part in everything bright and beautiful that he has for us.

Col. 1:11-12

Congratulations Ekkie -

You've shared laughter, trials, and tears. . .
Made life-long-lasting Meredith friends
Who will "connect" through ALL the years!

"You've just got to EXPERIENCE it. . ."
That's exactly what you have done!
Cornhuskin', Stunt, Father & Daughter Dance, Class Rings. . .

Congratulations on your four years at Meredith!

Dear Jenna,

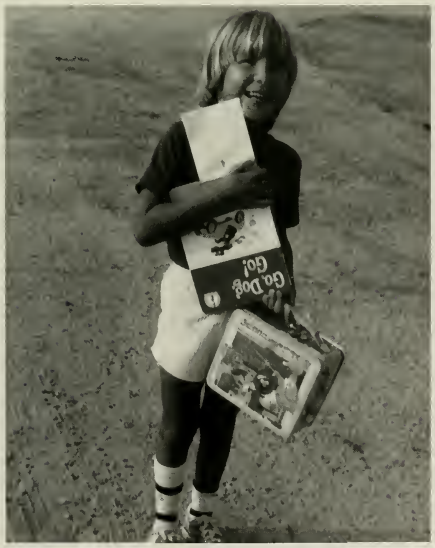
Here is a lovely poem you wrote in your early years. You are very precious to your family. We believe in you.

"Fall"

Fall is a great time of year.
It brings air crisp and clear.
The leaves' green colors go.
Reds, browns, yellows aglow.

Leaves fall and crunch underfoot,
Then dissolve into soot
They turn the ground brown
After gently flowing down.

Love always,
Mom, Dad, Rosanne



Dear Hadley,
